**MAIN FORUM:** As well as the main Forum which you access by clicking "forum" on the pink menu, there are some special interest groups.

**SPECIAL INTEREST GROUPS:** To see the list of special interest groups, click GROUPS on the pink menu bar or GROUPS in the drop down menu when you click your name in the top right hand corner when logged in.

The list will show you if you're already a member by showing "Leave Group" in the rectangular box (see pic). Or the option to request membership.

Each group has its own forum, activity stream, list of members in that group and your email options.

Activity shows the most recent posts and activity on that group. Forum is the group forum with various threads. You are most welcome to start your own thread and / or comment on current threads

To post a new topic (post), go to the bottom of any forum page. Type in title and your comment / question.
